Area 75 will help Districts with Corrections Literature as the Area fund is \$600+ currently. Suggested to have a donation drive for the Corrections Fund. AA.org has revamped our website and are looking for feedback (can provide right on the website). There is a section for Area75 even. Everyone should have received the Area 75 pre-conference assembly minutes.

Treatment is sending out literature racks to treatment committees who request them. November is gratitude month. All Grapevine top sellers are increasing in price \$2.75 on Jan 1st and all other books will increase in price upon their next printing, so get your books this year!!! Grapevine/La Vina has an online app if you didn't already know. Next Area 75 Winter Assembly Jan 29th. Area 75 Fall Conference is up at Chula Vista in November. Go and have fun!
